**Rivanna Water and Sewer Authority  
Public Outreach Meeting on Community Water Supply Plan Update  
Monticello High School Forum  
December 2, 2004**

**Meeting Evaluation**

**On a scale of one to five (1 being a low score and 5 being a high score) please give us your feedback on this event. Circle your answer and provide comments at the end.**

**Information**

The information presented was clear, thorough and presented in a way that was easy to understand.  
 1                      2                      3                      4                      5                      **44/10 = 4.4**

Participants were able to ask questions to help them understand the information.  
 1                      2                      3                      4                      5                      **42/10 = 4.2**

Presenters gave a time framework for the plan and next steps.  
 1                      2                      3                      4                      5                      **42/10 = 4.2**

The public meeting was an effective tool to convey information to the public.  
 1                      2                      3                      4                      5                      **44/10 = 4.4**

This public meeting in addition to the others I have attended has increased my overall understanding of the issues.  
 1                      2                      3                      4                      5                      **36/9 = 4.0**

**Participation**

Participants were asked questions that helped them express their opinions and concerns.  
 1                      2                      3                      4                      5                      **38/9 = 4.2**

Public participation was from a variety of perspectives.  
 1                      2                      3                      4                      5                      **36/9 = 4.0**

**Physical Setting**

The space was comfortable, with good traffic flow and lighting.  
 1                      2                      3                      4                      5                      **42/10 = 4.2**  
 (1 comment – *Seats too close*)

The setting created an inclusive atmosphere.  
 1                      2                      3                      4                      5                      **42/10 = 4.2**  
 (1 comment – *Round table would be better*)
