

**Rivanna Water and Sewer Authority
Community Water Supply Plan
Public Outreach Meeting on Concept Comparison**

**February 17, 2005
Agenda**

Meeting Purpose:

- ✚ To clarify current information known about concepts under consideration.
- ✚ To involve the community in comparison of the concepts.
- ✚ To exchange ideas and create more collaborative solutions.

Requested Guidelines for Participation:

- ✚ Topics will be focused on any of the four concepts for the Community Water Supply project currently under consideration.
- ✚ One person speaks at a time. Request each person limit comments during conversation period to 3 minutes until everyone who wishes has the opportunity to speak.
- ✚ Prepared statements may be read if under 3 minutes in duration.
- ✚ Written prepared statements may be submitted at meeting or after meeting by February 25 and will be posted on RWSA website.

□ **Pre-Meeting Information Sessions (5:30 pm to 6:30 pm - 60 min)**

- Five Information Stations with visual materials and technical staff available to answer one-on-one questions. There will be one Station for each concept with the fifth Station on the cost/financial data comparing the concepts.
