8:30am - 5:30pm

WHERE

McIntire Recycling Center

611 McIntire Road, Charlottesville, VA 22902

Pumpkin disposal is free of charge for City and County Residents

WWW.RIVANNA.ORG

GO GREEN THIS HALLOWEEN AND COMPOST YOUR PUMPKIN

HOW TO COMPOST

Pumpkins should be free of inorganic material, such as candles, wax, artificial lighting, decorations, etc.

WHY COMPOST

- Composting returns nutrients and water back into the soil.
- Pumpkins are 90% water.
- Decomposing organics make landfills the 3rd largest producer of methane.
