Dear Mawyer:

This letter is in reference to your request for extension of the Department of Army Permit Number NAO-2006-03002 for the Ragged Mountain Dam project in Albemarle County, Virginia.

We approve your request for a time extension of your Individual Permit; as such, your permit is now valid until November 21, 2033. To ensure continued compliance with the Endangered Species Act, the following Special Condition is added to your permit:

SPECIAL CONDITION:

1. No tree clearing may be conducted from April 1 – November 14 of any year to protect the habitat of the Nothern Long Eared Bat.

Please also be aware that should the Tricolored Bat become federally listed as a threatened or endangered species under the Endangered Species Act, futher consultation with the U.S. Fish and Wildlife Service may be necessary.

All other conditions of the original permit remain unchanged, to include the Section 401 Water Quality Certification issued by the Virginia Department of Environmental Quality (DEQ). Please obtain all necessary State and Local authorizations for the proposed work. Should you need further assistance or have any questions, please contact Vinny Pero at (757) 297-0011 or Vincent.d.pero@usace.army.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian P. Hallberg", is written over a light blue horizontal line.
