Charlottesville, VA – January 25, 2024

The Rivanna Water and Sewer Authority (RWSA) is reporting crews are responding to a water main break in the area of Route 29 and the Camelot subdivision in Albemarle County. The leak has been isolated and crews are assessing the damage and mobilizing to complete repairs. The water distribution system in the area north of Towncenter Drive to Dickerson Road is affected and residents and businesses may experience low water pressure.
